Parents/Students of Studio 4 Dance:

It's Recital time! The girls have been working hard during their classes. Now, here's the everything you ever wanted to know about Studio 4 Dance Recital:

• **Location:**

We will be performing at the **Spalding University** auditorium. The address for dress rehearsal and Recital is 845 South 3rd Street, Louisville. For directions please visit: <http://studio4dance.com/blog/2009/03/12/recital-information/>

• **Dress Rehearsal:**

Dress rehearsal will be on Saturday June 13th. Please see the attached schedule to find out what time you need to be at dress rehearsal. You **must** treat dress rehearsal as the actual show. Full costume and make-up is **required**. Also, remember students are to not wear underwear under the costumes unless your teacher has specified otherwise. They show from the stage and are *quite unsightly*. Please put your child's name on everything. We cannot be responsible for lost items. We are also working with a limited time slot at the facility, so we will not wait for anyone. In the past, each class has practiced 2-3 times on stage. Due to time constraints, each class will only rehearse one time on stage unless your teacher decides otherwise. If you do not participate in dress rehearsal, you will be unable to perform in the recital. There will be a photographer at dress rehearsal to take group shots of each class. After your child rehearses and is finished with pictures, you are free to leave. We will have concessions available during rehearsal and the show.

• **The Show:**

The show will be on Sunday June 14th, at 2:00 PM. Please have the girls completely ready and backstage no later than 1:30 PM. This means costume, make-up, hair and shoes on and ready to walk on stage. There will be at least 2 moms assigned to each class backstage. Please drop your child off with her class and leave the backstage area. For each child's security, **no one will be allowed backstage** without a backstage pass. Please see the attached form to obtain a backstage pass. We will have security guards to make sure no one enters or leaves without a pass. Your child must remain backstage for the entire show (approx. 2 hrs) as there is a finale that involves each student. We will have plenty of things to keep them busy while they are not performing. Again, please remember to put your child's name on **everything**.

While watching the show, please refrain from taking any flash photography. This is dangerous to the students on stage as it is blinding and we don't want anyone falling off the stage. You may take all the pictures you want at dress rehearsal while the lighting is better for the safety of the girls. We also ask that you do not use the photographers backdrop for your own pictures. You can also video tape during dress rehearsal. We have had many complaints previously about people video taping from their seats the

day of the show. Please be respectful of other families wanting to enjoy their child performance as much as you want to enjoy your own. If you must video, must move to the rear of the auditorium. There will be a professional DVD available of the performance. An order form is attached. You can also order them at dress rehearsal/recital.

• **Tickets:**

Each family will get complimentary tickets for immediately family only. This does not include grandma, aunts, etc. Anyone is welcome to come to the show. Please invite any friends and family you want to. Please fill out the attached form to let us know how many complimentary tickets you will need as well as how many you will be purchasing. The price for tickets is \$5.00 for adults, \$2.00 for children 5-12 yrs or younger than 5 if they will be requiring their own seat. If your child will be on your lap for the show, admittance for that child is free.

We are looking forward to another successful and exciting recital experience! Please contact us at [***info@studio4dance.com***](mailto:info@studio4dance.com) if you have any questions after reading this packet completely and carefully. We have tried to be as thorough as possible.

So, here's how this is going to work:

On Friday June 12th, the photographer will be set up **at the studio** to take individual shots. She will be here from 2:00-7:00 PM. She would like everyone to come in intervals of 15 minutes, so please let us know what time is best for you to come and we will try to work with everyone's schedule. She is also available to come earlier, so if you'd like to come earlier in the day, let us know and we will pass along the information to her.

She will also be set up on dress rehearsal day to take group shots. You can also have your individual shot taken at this time, but groups will take priority and we cannot guarantee you will be able to have the individual shot taken then due to time constraints.
